Cllr. Audrey Buckley

- (i) I would ask Carrigaline MD to install a Columbaria at St. Patricks cemetery , Crosshaven with capacity for 2 urns and an area for individual name plate per slot.
- (ii) Carrigaline MD area (and other locations around the county), Covid19 information posters and indeed tourist information kiosks , bus stations etc.. have black sprayed paint of Black Life Matters (BLM) material. What can we do as a council to address the many defaced Covid19 posters/information.
- (iii) I would ask that the Carrigaline MD office to ask the questions that need answering for the Crosshaven area re. The diversion of part of the Cruchain Woods, 71m of a right of way diverted in front of 10 houses at Drakes Point.
'Why a safe long establish right of way through Crucahin Woods , planning has given the builder the right to divert 71m of this beautiful safe walk through a housing estate. This safe right of way is in keeping what Cork County Council are promoting on our pollinator and biodiversity plan , so why would the council give planning permission to divert .'

Cllr. Marcia D'Alton

- (i) That Cork County Council would make the connection between Carrigaline and the Crosshaven greenway safer for both pedestrians and cyclists by replacing the narrow footpath on the northern side of the R612 between the Carrigaline GAA Club and the Kilnagleary Bridge with a wider shared use path.
- (ii) That the entire length of the footpath along the outside of the former Kearny's Bus Yard, Glenbrook, Passage West would be replaced.
- (iii) Tree roots along the water side of the Crosshaven greenway have significantly lifted the tarmacadam surface of the shared use path. How can the Cork County Council address this before the problem becomes further exacerbated as the trees grow bigger?
