## 2. COMMUNITY GRANT RE-ALLOCATION REQUESTS

### 1. KILDORRERY COMMUNITY DEVELOPMENT

Request to re-allocate 2018 Amenity Grant €3000.00.

'to dig out foundations and build a 4ft (or 5ft) concrete wall on this location instead of hedging'. Reason: After much consultation with a number of landscapers and garden centres, advised that setting any sort of hedging in this location will not be productive as the ground underneath is full of rubble from the creamery yard site and will not hold sufficient water for the plants to grow, digging a trench would do severe damage to existing tarmac. Also another factor in coming to this decision is that the hedge from the school side is very tall and will overshadow the young hedging plants thus restricting light for their growth.

### 2. MARKET PLACE POETRY & PERFORMING ART GROUP

2015 Amenity Grant Re- Allocation: Computer/Printer to PA System, microphone stands and speaker stand.
