8. Chun na Ruin so leanas ón gComhairleoir a mheas:/To consider the following Notices of Motion in the name of:

Cllr. Audrey Buckley:

- (i) “With children walking more to school, we would like to meet with an engineer on site by Templebreedy Church. Children have a zebra crossing from the upper road to cross safely to Colaiste Muire, whereas primary going children have to walk approx. 50m onto the road to get to the footpath on the other side. We need to look at a way we can make this are a safe passage for children.”
- (ii) “We would like an engineer to meet us on site at the road above Bunnyconellans in Myrtleville. With so much traffic on the road, we would like to see a traffic light ‘Stop & Go’ on an area of this road. It is really dangerous and with residents parking on this road

you find cars are reversing back up the road to allow a car coming the opposite way to pass safely.”

Cllr. Liam O’Connor:

- (i) “That this MD request from the Planning Department that a Framework Plan is created for the development of the lands at Carrigaline, zoned CL-T-01, which includes the old pottery site CL-RA-01 in the 2017 Ballincollig-Carrigaline MD Local area plan. Given the importance of this area for development, the overall approach taken in this plan should provide a cohesive framework within which proposals for the development of individual sections can be co-ordinated.”

Cllr. Ben Dalton O’Sullivan

- (i) “Following my motion at full council to request a report on how we can implement beach wheelchairs across the county. I am calling on Carrigaline Municipal District to conduct a feasibility report on Fountainstown beach and or Myrtleville Beach to see if it is suitable for a beach wheelchair.”
- (ii) “That Cork County Council would arrange to have all gullies and drains cleaned throughout Ballygarvan Village, particularly in the estates and in the area from the entrance Of the Gleann Rua housing estate, myrtle hill, school road and out to The GAA club. That cork county council would inform members when this work will be carried out.”

Cllr. Marcia D’Alton

- (i) “That the Municipal District would write to Bus Eireann requesting that missing bus stop poles would be replaced at
 - (a) Marmullane Park, Passage West
 - (b) St. Peter’s School, Passage West
 - (c) Lucia Place, Passage West.”
- (ii) “That the Municipal District would consider marking out a bus stopping bay on Lucia Place, Passage West where currently the bus often has no room to pull in. As part of this, it will be necessary to put double yellow lines between the southern end of Lucia Place and the turnoff to Canning Place.”
- (iii) “That Cork County Council would engage with An Garda Siochána in actively discouraging parking on footpaths in such a way as impedes the passage of pedestrians, buggies and wheelchairs.”
