Cllr. Audrey Buckley

- 1. I would like to get an update if possible, on the grant applications for The Grassy, Point Road and the Teenager Amenity Park on Churchbay Road.
- 2. Any update on the contractor's report - for the continuation/safe passage of the footpath for school going children and residents on the upper road, Crosshaven.

Cllr. Seamus McGrath

1. To request a written update/report on the proposed transportation changes at the eastern corridor/Bothar Guidel in Carrigaline. As we know, the Part 8 was approved in July 2019. Please outline estimated timeline for progression of project.
2. To ask the Engineer to consider Diamond Hill estate, Monkstown, for resurfacing work in the upcoming Programme and some maintenance work in the interim.
3. To request that the Council explore the feasibility of erecting a cover/roof over the outdoor exercise equipment pods, such as those on the Carrigaline - Crosshaven Greenway.

Cllr. Ben Dalton O'Sullivan

1. That "CCTV in operation" or a similar form of signage would be installed at the parking area of Killingley cemetery. There have been regular occurrences of dumping at the cemetery.
2. That this Municipal District welcomes the new 225 and 225L Bus routes which has provided a city linked bus service to Waterpark, Bridgemount and Ballygarvan Village, However, I'm requesting that we write to Bus Eireann and the NTA expressing dissatisfaction that the bus will no longer serve Ferney Road. The stop here provided a much-needed link to Edmund Rice College for many students, and indeed many residents.
3. Following a number of previous motions, I'm requesting that the engineer give an update on the need for traffic calming along the upper and lower Kilmoney road.
"Slow" road markings, Bigger 50KM signage in both directions and speed indicator signs should be considered. We are also requesting an update on the need for a city bound bus stop at Maurland, Carrigaline
