Cllr. Michael Paul Murtagh

- 1. That Cork County Council conduct a safety audit for the area facilitating the cross river ferry from Glenbrook, Monkstown as a matter of urgency. Suitable footpaths, lighting, and connectivity are required for the safety of the many pedestrians, cyclists and vehicles using the ferry service.*

2. *In the wake of two more serious road traffic collisions in quick succession, on the Carrigaline end of the N28 Carr's hill, I would like the MD to write to the NTA and the department of Transport to expedite the upgrade on the road particularly the area coming out of Carrigaline.*

Cllr. Seamus McGrath

1. *To seek an update on the provision of a Pedestrian Crossing on the N28 at Shanbally Village,*
2. *To request an extension of the footpath at the corner of Church Road & Station Road, Carrigaline, to provide a link to the pedestrian entrance to the National School.*
3. *To request that the public lighting along the road between Coolmore Cross and the Grotto be improved.*

Cllr. Audrey Buckley

1. *I would ask that Carrigaline MD would look at areas outside our local post offices, for Age Friendly Parking. I would also ask that the area outside the Crosshaven Post Office be looked at. Cars are parking on the lefthand side coming into Crosshaven and on the median line between the upper and lower roads.*
2. *Is it possible that we can get the response from the NTA on the Bus Shelter List that we had compiled before the summer? Our children and older residents are waiting in the rain for buses. With the lack of bus shelters our school going children are sitting in wet clothes all day, this is something that needs to be addressed.*

Cllr. Marcia D'Alton

1. *That the Carrigaline Municipal District would ask Cork County Council include the purchase and development of the Convent of Mercy, Passage West in its application to the next round of URDF funding. The Convent of Mercy is a significant site in a critical location in Passage West town centre and has the potential to provide for car parking, green spaces, housing and commercial development, all of which would benefit the future development of Passage West town centre and compliment the aims of the Passage West Framework Plan.*
2. *That the Municipal District would consider favourably the erection of a plaque along the planned greenway between Monkstown and Raffeen to commemorate the historic and tragic drowning of two men, Joseph Harris and Jeremiah Dunvert, whilst they were fishing less than 30 metres from the shoreline.*
3. *That the HSE would be contacted with regard to cutting back the overgrowth from Mount St. Joseph's, Fair Hill, Passage West.*

Cllr. Ben Dalton O'Sullivan

1. *On the intersection between the L2494 and R611, I am requesting that the directional sign be replaced as soon as possible as it is causing confusion for motorists. There is currently no sign present.*

2. *That the start of the L6292 (Gortnaclough, Ballinhassig) would be looked at. There is an ongoing issue here with poor surfacing - possibly due to a leak, I would ask that this be investigated and rectified by the area office.*
3. *That the road in Ballinreeshig, Ballygarvan would be included on the next resurfacing program of works.*
