

Notice to Mariners

No. 7 of 2022

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers, fishery organisations and general port users.

Glandore Pier, Glandore Harbour

Management Plan

Mariners and general port users are advised that, subject to funding, Cork County Council intends to introduce new safety and pier management measures at Glandore Harbour.

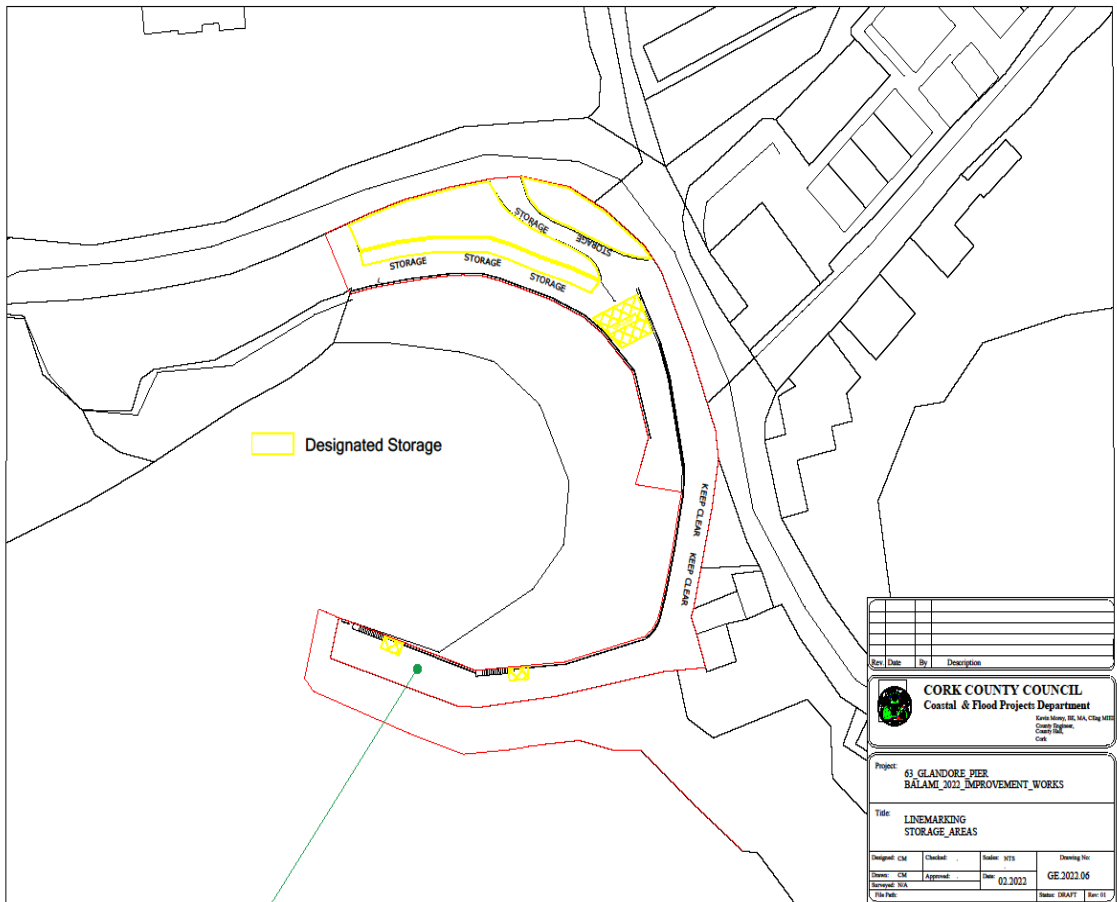

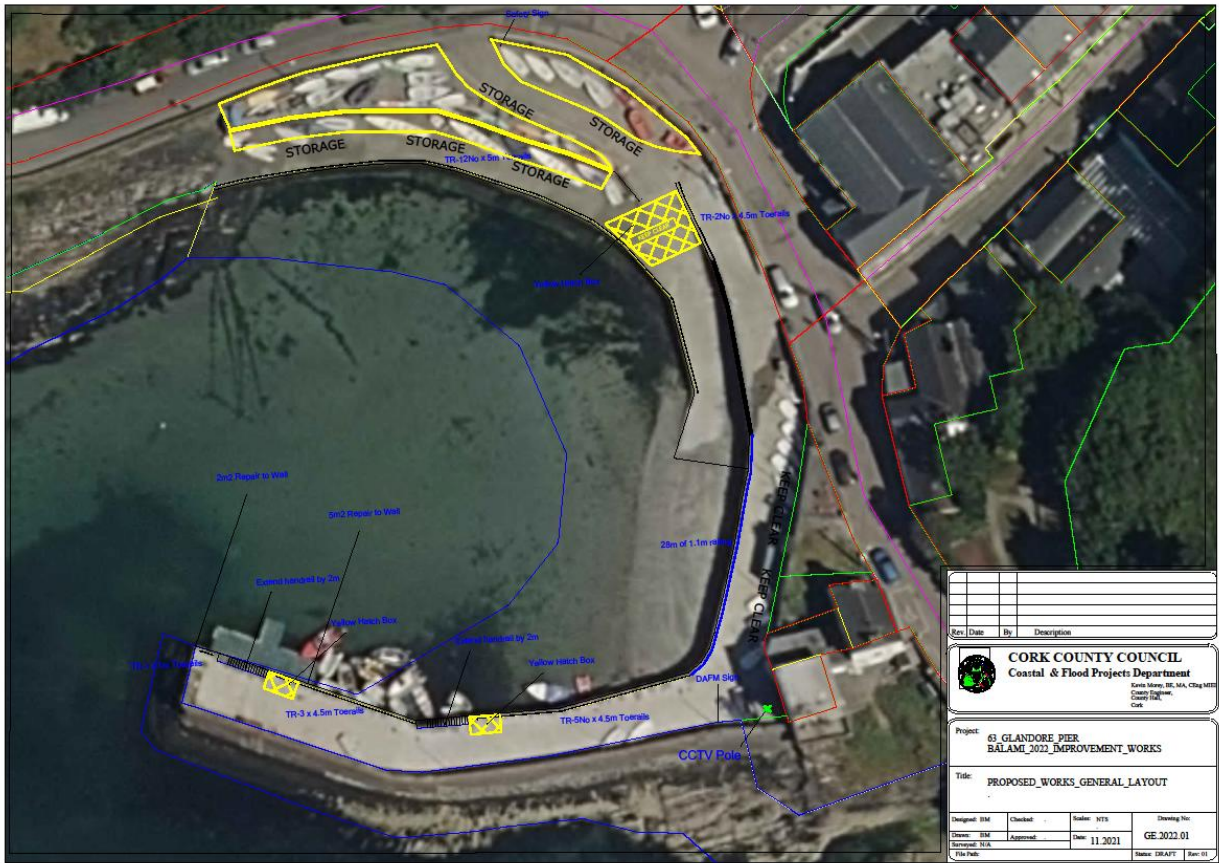

As outline on the drawings below this will include:

- New toe rails and handrails
- “keep clear areas”
- Designated temporary storage areas for small crafts
- Safety signage
- CCTV cameras

Under the new plan, storage of small crafts will only be permitted in designated areas and access to the break water will have to be kept clear at all times.

Written comments, remarks and suggestions can be submitted to the Harbour Master, Harbour Master's Office, Skibbereen, P81 RC 21 or by email to berthing@corkcoco.ie

Submissions must be received by close of business on 02nd May 2022
