2. REPORTS & CORRESPONDENCE / TUAIRISCI & COMHFHREAGRAS

- (a) *MDO Report*

3. STATUTORY BUSINESS /GNO REACHTUIL

- (a) Nomination to Local Traveller Accommodation Consultative Committee (LTACC) for the West Cork MD

4. NOTICES OF MOTION/ FOGRA RUN

(a) Cllr. Caroline Cronin

"That Cork County Council would carry out speed surveys and engineering reviews at Ballydehob, Schull, and Goleen with a view to developing traffic calming measures for the town and villages. It is important that these would be progressed urgently so as to be "shovel-ready" to apply for funding applications such as Clár and other such funding schemes".

(b) Cllr. Finbarr Harrington

1. "That this council would address the opening and closed hours of the Castletownbere Civic Amenity site, as it is causing much frustration for both our employees and all the people that use this vital service".

(c) Cllr. Finbarr Harrington

"That this council would erect a "no overnight parking of camper vans" on a number of locations throughout West Cork to include but not limited to the following locations -

- Zetland pier Adrigole Beara
- Cahermore pier Beara
- Garnish beach car park Beara
- Kilmoe graveyard Barleycove
- Galley Cove beach, Crookhaven
- Audley Cove, Rosbrin
- Sheeps Head peninsula"

(d) Cllr. Finbarr Harrington

"That this Council would explore all options to implement the installation of "traffic speed ramps" in Ballydehob village to reduce the speed of traffic travelling through the village, especially the traffic that travels from the direction of Schull on the main R592 road going down the hill into the village and also the traffic travelling up Staball Hill heading towards Schull".

(e) Cllr. Noel O'Donovan

"That this council would begin the necessary survey/design works to provide a footpath for safe pedestrian access from the outskirts of Clonakilty town at Scarthagh to McCurtain Hill / Clonakilty Garda Station".

(f) Cllr. Noel O'Donovan

"That a report be provided on the feasibility of the installation a pedestrian crossing in Ardfield village to allow for safe crossing at the church, graveyard and sporting facilities".

(g) Joint Motion from Cllr. Danny Collins & Cllr. Daniel Sexton

"Since the recent announcements of Transport Infrastructure Ireland (T.I.I.) review of planned expenditure to Cork County Council road's budget, we are requesting why the N71 Ballylickey to Dromkeal Pavement Scheme and the N71 Newmills /Owenahincha Scheme have been pulled for funding. We are calling for a letter to be sent to T.I.I. as a matter of urgency to retract their decision to pull the funding and to give us an explanation as to why this was done. Also we are calling for this motion go to Full Council as it has been brought to our attention there are other roads in this situation throughout the County".

(h) Cllr. Danny Collins

"It is now nearly 2 years since the road works were done on Glengarriff road and a great job was done, but no lights have been installed at the designed zebra crossing at Newtown just at the chemist. I am requesting an update on who were supposed to install these lights and I want confirmation on when they are going to be installed".

(i) Cllr. Danny Collin

"I am calling on Cork County Council to advise the date of when the main streets of Castletownbere are going to be resurfaced".

(j) Cllr. Deirdre Kelly

"The County Development Plan de-zoned land referred to as DY-R-05 located just off Castle Street in Dunmanway. Would it be possible to again discuss the possibility of repurposing this land as a car park which would facilitate taking cars off what is already a very narrow street".

5. ANY OTHER BUSINESS / AON GNO EILE
