Wayside Park/Fernhill Drive	Tawnies Lower, Clonakilty	251

4. NOTICES OF MOTION/ FOGRA RUN

(a) Cllr. Finbarr Harrington

"That this Council would carry out much needed line painting as a matter of urgency and Safety at Gour on the R572 Castletownbere to Allihies main road". This is the main R572 road along the Wild Atlantic Way and is a noted location for thick fog especially in Winter time. Currently there are no road markings on this road. That this stretch of road especially at the top of Gour would be considered for cats eyes or road studs retro reflective safety devices".

(b) Cllr. Finbarr Harrington

"That this Council would give an update as to when the renovation of the public toilets in Allihies Village will commence. Allihies public toilets were granted €50,000 in March 2019 at Municipal district and work has not commenced yet".

(c) Cllr. Finbarr Harrington

"That this Council would make an application to the Department of Housing, Local Government and Heritage, for funding, to carry out much needed repairs and maintenance on Cleandra Pier Ardgroom which is owed by Cork County Council. This pier was extensively damaged in the recent storms. There has been no maintenance carried out on this Pier for the past twenty plus years and is badly in need of repair".

(d) Cllr. Isobel Towse

"That this Council will secure a public toilet for Sherkin Island before Summer 2025."

(e) Cllr. Isobel Towse

"In relation to the €200,000 THRIVE funding for Kent St, and other potential funding options for this street, that this council will share any plans or ideas that the council has for its redevelopment, will explain what the process is for constituents to have their say in this development, and when this will be available to them."

(f) Cllr. Deirdre Kelly

"In line with successful measures in Killarney and Dungarvan that this Municipal District would consider and pilot the use of dog waste bins in West Cork".

(g) Cllr. Danny Collins

"I am calling on the Council to cut the grass and overgrown vegetation at both Maulinward & Drimeoleague graveyards, and this to be done at least 2 to 3 times yearly".

(h) Cllr. Danny Collins

“With the shortage of graves in many graveyards such as Kilcrohane, Glengarriff, Goleen and Schull, I am calling on an urgent plan to purchase or use council land for new grave sites, plus I am looking for the amount of graves left in these graveyards today”.

(i) Cllr. Danny Collins

“I am calling on the council to find a suitable site in Bantry town for the Odyssey Sculpture which featured on the Railway Pier for many years and was taken down during construction works to the Marina”.
