RE: Proposed Cork County Council Development at Old Barrack Road, Bantry

Dear Richard,

I confirm that I act on behalf of Marino Street Properties Ltd. who are the owners of the 'Coach House' development to the immediate west of the site of the council's above proposed development.

I refer to the attached proposal sketches you provided to my clients which indicate a pedestrian opening on the boundary wall between my clients property and the development site.

I confirm that I have discussed same with my clients and they have no objections to your proposal.

I hope that this is of assistance and if you have any queries please do not hesitate to contact me.

Yours sincerely,
