

Call 1, Part B - Strand 1 Building Low Carbon Communities, Evaluation Criteria

CCAP Call 1, Part B - Strand 1 Evaluation Criteria:							
					Max Score/ Weighting	Min. Required	Marks awarded
1		Relevance and Impact:			30	15	0
		The project meets the objective of Strand 1 to shape and build a low carbon community and can clearly demonstrate the impact of the project in contributing to Ireland's climate and energy targets.					
	a	The project meets the objectives of Strand 1 to shape and build low carbon communities.			7	3.5	0
	b	The project contributes to the delivery of Cork County Council's Climate Action Plan 2024-2029 and contributes to the achievement of energy and climate targets.			7	3.5	0
	c	The project contributes to Cork County Council's Decarbonising Zone.			7	N/A	0
	d	The project addresses Theme 1 Community Energy			1	N/A	0
	e	The project addresses Theme 2 Travel.			2	N/A	0
	f	The project addresses Theme 3 Food and Waste.			2	N/A	0
	g	The project addresses Theme 4 Shopping and Recycling.			2	N/A	0
	h	The project addresses Theme 5 Local Climate and Environmental Action.			2	N/A	0
					Max Score/ Weighting	Min. Required	Marks awarded
2		Innovation and Scalability:			20	N/A	0
		The project contains practical innovation/(s) and/or approaches. It has the potential to be scaled up or replicated in other communities' post funding. The project has a lasting impact.					
	a	The project is innovative (new technology/approaches etc).			10	N/A	0
		Please note: Solar PV projects will not be considered new/innovative.					
	b	The project has the potential to be scaled up or replicated in other communities.			4	N/A	0
	c	The project will have a tangible and lasting impact after completion.			6	N/A	0
					Max Score/ Weighting	Min. Required	Marks awarded
3		Value for Money:			20	10	0
		The costs applied for are reasonable, represent an efficient use of resources and are commensurate with the quality and nature of the activities proposed. Realistic, specific, and relevant outputs and outcomes are identified, which are commensurate with the level of investment.					
	a	The costs applied for are reasonable, represent an efficient use of resources and are commensurate with the quality and nature of the activities proposed.			8	4	0
	b	The applicant organisation has followed procurement guidelines and considered value for money.			6	3	0
	c	The project outputs are reasonable for the level of investment required.			6	3	0

				Max Score/ Weighting	Min. Required	Marks awarded
4		Achievability:		10	5	0
		The organisation/partnership has the appropriate expertise to deliver the proposed project. The proposal is clear and coherent and is deliverable within the timeframe. Key milestones are specified with an explanation of how these will be monitored.				
	a	The applicant organisation/partnership has the appropriate expertise to deliver the proposed project.		2	1	0
	b	The project is deliverable within the timeframe and relevant milestones are listed.		4	2	0
	c	The applicant organisation has all the required planning and regulatory permissions and consents required to deliver the project.		4	2	0
				Max Score/ Weighting	Min. Required	Marks awarded
5		Partnership Approach:		10	N/A	0
		Any Partner/Consortium roles and responsibilities are clearly outlined with partnership agreements in place (where applicable). The proposal demonstrates how all key stakeholders will be involved in the planning and implementation of the proposal.				
	a	The project includes a partnership/consortium with clearly defined roles and responsibilities.		6	N/A	0
	b	The proposal demonstrates how all key stakeholders will be involved in the planning and implementation of the proposal.		4	N/A	0
				Max Score/ Weighting	Min. Required	Marks awarded
6		Governance Arrangements:		10	5	0
		Any necessary governance and financial management systems, controls and processes are in place to meet the requirements of the programme. Where applicable, evidence of tax compliance and registration with relevant bodies is supplied. Details of track record in managing other state funding is supplied.				
	a	The applicant organisation has all necessary governance and financial management systems, controls and processes in place to meet the requirements of the programme (including PPN details or details of AGM and approved minutes).		3	1.5	0
	b	The applicant organisation has a track-record of managing state funding.		3	1.5	0
	c	The project has all necessary authorisations and/or rights of access to all required land, buildings and property for all associated work required for the project		4	2	0
