PLANNING & DEVELOPMENT ACT 2000 - 2010.**

Dear Sir/Madam,

On the basis of the information submitted by you on 17th December, 2024 the Planning Authority, having considered whether the change of use from a guesthouse to use as accommodation for protected persons associated with accommodating International Protection Applicants (as defined in S.I. No. 582 of – Planning and Development (Amendment) (No. 4) Regulations 2015) is development but it is put forth/questioned that this COU/development at **Dutch Tulip, West End, Mallow, Co. Cork P51 RD70** is exempted development and does not require planning permission, has declared that it is **exempted development**.

Reason for Decision

The Planning Authority in considering this referral, had particular regard to:

And Whereas the Planning Authority hereby concludes that

The authorised use of the property known as the "Dutch Tulip", is "Guesthouse", which is listed under Class 14. Accordingly, the said change of use would come within the scope of Class 14 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001 (as amended).

Question subject of the Section 5:

On the basis of the information submitted the question to be addressed under this request is as follows:

The change of use from a guesthouse to use as accommodation for protected persons associated with accommodating International Protection Applicants [as defined in S.I. No. 582 of - Planning and Development (Amendment) (No.4) Regulations 2015] is development however is this change of use/development exempted development?

Legislative Context:

Planning and Development Act 2000 (as amended)

Section 3(1) of the Act states 'development' means:

"In this Act, except where the context otherwise requires, "development" means— (a) the carrying out of any works in, on, over or under land, or the making of any material change in the use of any land or structures situated on land, or (b) development within the meaning of Part XXI (inserted by section 171 of the Maritime Area Planning Act 2021)"

Section 2 of the Act defines 'works' as:

"works" includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure

Section 4 of the Act, as amended, sets out the types of works that while considered 'development', can be considered 'exempted development' for the purposes of the Act.

Section 4 (4) of the Act, as amended, states as follows:-

4 (4) Notwithstanding paragraphs (a), (i), (ia) and (l) of subsection (1) and any regulations under subsection (2), development shall not be exempted development if an environmental impact assessment or an appropriate assessment of the development is required.

Planning and Development Regulations 2001 (as amended)

Article 6 states:- (1) Subject to Article 9, development of a class specified in column 1 part 1 of schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said part 1 opposite the mention of that class in the said column 1.

Article 9 sets out that development to which article 6 relates shall not be exempted development if the carrying out of such development would conflict with certain criteria.

Article 10 (1) Changes of Use of the Planning and Development Regulations 2001 (as amended) outlines that the classes of use specified in Schedule 2, shall be exempted development for the purposes of the Act, if the works carried out are exempted development.

Internal Consultees:

No comments/reports received.

Assessment:

- "Is or is not exempted development?"

The submitted application form states that the proposed use is "temporary accommodation associated with accommodating international protection applicants".

I note Class 14(h), Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended) which inserted S.I No. 582 of 2015.

S.I. No. 582 of 2015 – Planning and Development (Amendment) (No.4) Regulations 2015

<p style="text-align: center;">Column 1 Description of Development</p>	<p style="text-align: center;">Column 2 Conditions and Limitations</p>
<p>CLASS 14</p> <p><i>Development consisting of a change of use-</i></p> <p><i>(h) From use as a hotel, motel, hostel, guesthouse, holiday accommodation, convent, monastery, Defence Forces barracks or other premises or residential institution providing overnight accommodation, or part thereof, or from the change of use specified in paragraph (h) of the said premises or institution, or part thereof, to use as accommodation for protected persons.</i></p> <p><i>(i) From use as a hotel, motel, hostel, guesthouse, holiday accommodation, convent, monastery, Defence Forces barracks or other premises or residential institution providing overnight accommodation, or part thereof, or from the change of use specified in paragraph (h) of the said premises or institution, or part thereof, to use as an emergency reception and orientation centre for protected persons, and</i></p>	<p><i>The number of persons with an intellectual or physical disability or a mental illness living in such residence shall not exceed 6 and the number of residents carers shall not exceed 2.</i></p>

<i>(j) from the change of use specified in paragraph (h) or (i) or both, to the permitted use of the premises immediately prior to the change of use specified in the said paragraph (h) or (i) or both.</i>	<i>Class 14(j) shall not apply after a period of 3 years from the date of the commencement of the change of use specified in Class 14(h) or (i) or both whichever is the earliest.</i>
--	--

S.I. No. 582 of - Planning and Development (Amendment) (No.4) Regulations 2015, sets out the following definition of protected person.

(3) Article 5(1) of the Principal Regulations is amended by inserting after the definition of “painting” the following definition:

“ ‘protected person’, for the purposes of Schedule 2, means—

(a) a person who has made an application to the Minister for Justice and Equality under the Refugee Act of 1996 or the Subsidiary Protection Regulations 2013 (S.I. No. 426 of 2013),

(b) a person who falls to be considered or has been considered under section 3 of the Immigration Act of 1999, or

(c) a programme refugee within the meaning of section 24 of the Refugee Act of 1996;”.

The Planning and Development Regulations 2001(as amended), state that:

‘international protection’, for the purposes of Class 20F of the Planning and Development Regulations 2001(as amended), has the meaning given to it in section 2(1) of the International Protection Act 2015 (No. 66 of 2015).

“international protection” means status in the State either—

(a) as a refugee, on the basis of a refugee declaration, or

(b) as a person eligible for subsidiary protection, on the basis of a subsidiary protection declaration;

Therefore, based on the information submitted, the planning history of the site and legislation the development would fall within the scope of Class 14(h) and would be exempted development.

Also, a condition/limitation of the Class 14, states that Class 14 (j) shall not apply after a period of 3 years from the date of the commencement of the change of use specified in Class 14(h) or (i) or both whichever is the earliest. The applicant shall take note of this.

Environmental Impact Assessment (EIA) and Appropriate Assessment (AA)

Notwithstanding any exemptions within the regulations, Section 4(4) of the Act states that:

“development shall not be exempted development if an environmental impact assessment or an appropriate assessment of the development is required”.

In terms of EIA and Appropriate Assessment, the nature and scale of works are unlikely to have had a significant effect on the environment or on designated sites. On this basis it is considered that the development does not fall within the scope of Section 4(4) of the Act.

Conclusion/Recommendation:

WHEREAS a question has arisen as to:

The change of use from a guesthouse to use as accommodation for protected persons associated with accommodating International Protection Applicants [as defined in S.I. No. 582 of - Planning and Development (Amendment) (No.4) Regulations 2015] is development however is this change of use/development exempted development?

AND WHEREAS Cork County Council, in considering this referral, had regard particularly to –

- (a) Sections 2, 3 and 4 of the Planning and Development Act, 2000, as amended,
- (b) Article 6(1), 9(1) and 10 of the Planning and Development Regulations, 2001, as amended,
- (c) Class 14 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001, as amended,
- (d) The planning application history relating to the site,
- (e) The nature, extent and scope of the development outlined in the documentation submitted,

AND WHEREAS Cork County Council has concluded that the authorised use of the property known as the ‘Dutch Tulip’, is ‘Guesthouse’, which is listed under Class 14. Accordingly, the said change of use would come within the scope of Class 14 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001, (as amended).

NOW THEREFORE, Cork County Council, in exercise of the powers conferred on it by Section 5 of the 2000 Act, hereby decides that a change of use of the property known as the Dutch Tulip, West End, Mallow, Co. Cork, P51 RD70, to use as accommodation for protected persons associated with accommodating International Protection Applicants [as defined in S.I. No. 582 of - Planning and Development (Amendment) (No.4) Regulations 2015] **IS development and IS exempted development.**
