

Carrigaline Municipal District  
Cork County Council  
Floor 5  
County Hall  
Cork  
12<sup>th</sup> February 2025

**TO/ Each Member of the Carrigaline Municipal District**

A Chara,

Tionolfar Chruinniú den choiste thuas luaite mar leanas: - Please take note that a meeting of the Carrigaline Municipal District will be held on Monday February 17<sup>th</sup> at 14:00 in the Council Chambers for the transaction of the following business:

**1. Deimhniú Miontuairiscí / Confirmation of Minutes**

To consider the confirmation and signing of the Minutes of the Ordinary Meeting held on January 20<sup>th</sup>, 2025.

**2. Matters Arising**

**3. Correspondence**

**4. Breithniúcháin ar Tuairiscí agus Moltaí / Consideration of Reports and Recommendations**

**5. Municipal District Officers Report**

**6. Roads Update**

**7. Chun na Ruin so leanas ón gComhairleoir a mheas:/To consider the following Notices of Motion in the name of:**

**Cllr Dalton O'Sullivan**

1. Requesting the following information:
  - I. How many applications were made for S.254 masts in the Municipal District and by location.
  - II. How many were granted? How many were refused?
  - III. The members further resolve to write to Full Council requesting a public consultation process on S.254 licence applications for masts".
2. Requesting SLOW and Km road markings on the main road into Five Mile from the Riverstick side. There have been several crashes here as a result of speed in the 60km

zone. Residents here are requesting the road markings on foot of safety concerns, as a number of cars have crashed and mounted the new footpath which gives cause to concern of a fatality.

3. Seeking an additional section of the Forest Road be included in the Resurfacing program. Similarly, for road markings to be installed on completion highlighting the speed limit on the road.

#### **Cllr Buckley**

1. That Carrigaline MD look for funding for a colourful mural on the newly refurbished Carrigaline library.
2. To request that we get confirmation that we will have funding to input public toilets and bins into coastal areas, Crosshaven railway walk this May.
3. To request that we get the relevant information on the new government initiative on IPB insurance for Tidy Town groups.

#### **Cllr Jack White**

1. That this MD acknowledges the severe lack of car parking in Crosshaven village centre, and the associated negative effects on business, tourism and quality of life for residents. In acknowledging this, the MD requests the Council to urgently engage with private landowners to identify suitable site options for extra car parking.

#### **Cllr Patrick Donovan**

1. To request that from Waterside, Castleheights, Carrigaline to Gort Na Glaise be assessed with a view to providing additional public lighting along this footpath.
2. To request the installation of a controlled pedestrian crossing in Shanbally village between the shop and the church carpark.
3. To request that the footpath coming out of Watersedge on Church Road be connected to the footpath outside The Estuary.

### **Cllr Eoghan Fahy**

1. Footpath repair works in Bloomingdale.
2. A bin be installed at the Harbour Heights bus stop as there is currently no bin within any reasonable distance to the bus stop which is resulting in an accumulation of litre at the stop.
3. Cork County Council carry out an investigation/works on the R610 to prevent the same area from consistently flooding. Cork City Council recently carried out drainage and pipe work along the R610 City side, and it has made a phenomenal difference. We now are left with two spots that continuously flood. Just beyond Robert's Bridge Carpark (Which is where CCC need to review) & outside Harbour Height's estate which is a result of drainage issues within the estate that the developer has assured me will be resolved in the coming months. This will reduce us to one spot of flooding, and this will still render all the good work to no avail if we cannot resolve the issue just beyond Roberts Bridge.

### **Cllr Una McCarthy**

1. That this Council includes the L2492 in the resurfacing programme. This secondary residential road, particularly in the vicinity of Coolmore Gardens and Coolmore Close, is in a state of severe disrepair and continues to deteriorate, posing significant challenges to residents and road users.
2. Requesting an update from the RLRDO regarding the traffic lanes at the traffic light junction at Janeville, Carrigaline.
3. That this Council undertakes the treatment of Japanese Knotweed on Glen Road Monkstown, recognising that while it was previously addressed, it has begun to regrow and requires further management.

### **8. Votes of Congratulations**

### **9. Any Other Business**
